

## Reach higher together - SPARFELL becomes an EBAA Ambassador.

**Press Release**  
**Geneva, 16th May 2022**

SPARFELL is honoured to announce that it is now among the select few to have joined the EBAA Ambassador Program. The EBAA ambassadors contribute to EBAA's (European Business Aviation Association) mission to enable responsible, sustainable growth for business aviation in Europe, enhancing connectivity and creating opportunities.

Operating in the dynamic sector of business aviation which fosters technical innovation and environmental stewardship across the full value chain, from manufacturers to operators, SPARFELL is proud to have become an industry representative and to contribute to the vision of positioning the industry in a positive light and helping to increase the perception and acceptance within the European society.

Safety and security are top priorities for the Business Aviation sector, which has adopted ambitious voluntary measures to ensure that airports, airplanes, pilots and passengers are safe and secure. Under the motto "Fly Safe, Fly SPARFELL," SPARFELL has always considered the safety and security of its clients its utmost priority. With the values of the EBAA Ambassador Programme aligning with those that SPARFELL stands for and operates by, SPARFELL is optimistic about fostering a stronger, benefits-oriented and more constructive image of Business Aviation together with all other ambassadors.
