

SPARFELL's Austrian and Maltese AOCs Expand Charter Fleet

Press Release
Geneva, 23rd May 2023

Showcasing its commitment to providing exceptional service and maintaining the highest levels of customer satisfaction and safety, SPARFELL has added several aircraft to its charter fleet over the past couple of months.

As part of this fleet expansion, SPARFELL has added several remarkable aircraft to its portfolio. These include the G450 with the registration OE-LSC and the Global 7500 with the registration OE-LOE, both operating under the Austrian AOC. Additionally, the Maltese AOC welcomes the Challenger 3500 and the Global 6500, 9H-VBG. The latest addition to the fleet is the G500, flying under the Austrian AOC.

With close to 40 aircraft in its fleet, SPARFELL's continued growth highlights its position as a prominent player in the aviation industry. The company's dedication to expanding operations and personnel further reinforces its commitment to delivering exceptional services to clients in Europe and worldwide. "At SPARFELL, we constantly strive to exceed our clients' expectations by offering an expanding fleet of diverse aircraft to be able to respond to any need in business aviation," said Edward Queffelec, CEO at SPARFELL. "Our focus remains on providing unparalleled customer service while prioritising the highest standards of safety in all our operations."

SPARFELL's growth is not limited to its fleet expansion. The company continues to invest in and nurture its team of aviation professionals, ensuring the highest level of expertise and service. By fostering a culture of excellence and continuous improvement, SPARFELL maintains its position as a trusted partner in the private aviation industry.

About SPARFELL: www.sparfell.aero

SPARFELL remains one of the few privately held, family-managed companies operating in business aviation. It is one of the few companies worldwide that offers such a wide selection of services under one roof to ultimately better serve its customers: aircraft charter, aircraft management and aircraft trading. With expertise in all aircraft types, whatever a client's need is in aviation, SPARFELL offers advice from A to Z and beyond. The standards and principles that SPARFELL enforces when providing its expertise in aircraft are also applied to other domains that SPARFELL ventures into. The company also offers travel and concierge, yacht management, and property and luxury asset management services.
